

PEREGRINE

RETAIL DESIGN MANUFACTURING

Apprentice Cabinet Maker (Joiner/Millworker)

PEREGRINE - Burnaby, BC 25 MAY 2018

Peregrine, operating for over 38 years, is the largest manufacturer of custom high-end retail environments in Western Canada. Serving clients primarily in the retail and banking industries, Peregrine has worked with leading brands, including Saje, Lululemon, Kit and Ace, Aritzia, BMO, Vancity, and MEC.

In 2017, the company acquired Acorn Wood Designs. Acorn was founded in 1984 and specializes in precision architectural millwork for the hospitality industry. Its high-quality woodwork can be seen in many restaurants throughout Canada and USA including Joeys, The Keg and Earls.

We are adept with hardwoods, laminates, solid surfaces, plastics, glass, lighting, metals and print. Our expert teams specialize in creating unique fixtures, merchandising systems and signage in our 50,000 sq/ft facility in Burnaby, BC.

We are looking for an **Apprentice Cabinet Maker (Joiner/Millworker)** with a passion for building wood fixtures, cabinetry and/or furniture. This position will be full-time and hands-on training will be provided. The ideal candidate excelled in high school shop courses and a true passion for building unique things and working with their hands. They are positive, self-motivated and take exceptional pride in their work.

Qualifications:

- Junior cabinet maker/joiner with some shop experience;
- Experience in operating a variety of hand-operated and power tools to cut wood parts and prepare them for assembly;
- Good attitude and willingness to learn;

Requirements:

- Must be able to read and interpret shop drawings;
- Willingness and ability to follow procedures and adhere to safety procedures;
- Able to lift 50+ pounds;
- Stand at work table for up to 8 hours per day;
- Fast paced and energetic to meet project deadlines.

Additional Skills: (considered a plus)

- Interested in completing Red Seal in Joinery
- Design skills, CAD;
- Painting experience;
- Solid surface or plastics experience;
- CNC Routing and Machining experience.

Wage/Salary: \$18-\$22 per hour (commensurate with experience)

Job Details: Full-time position. Monday to Friday. Morning (7:00AM – 3:15PM) and Afternoon (3PM – 11:30PM) shifts available.

Apply to this position by sending your resume to careers@peregrine.build
